Soft slabs on Buck

Date Sat, 12/21/2024 - 13:00 Activity Snowmobiling

From email: "Rode buck today. It was very windy this week. Open areas are quite scoured, but there are still great stashes to be found if you hunt around. We triggered a 12" soft wind slab on a NE facing slope at 9,5k'."

Region Northern Madison Location (from list) Buck Ridge Observer Name Julian Gerardi
